

## AUDITION MONOLOGUE

### JUNIOR GIRLS

SHOKI:

It was Christmas time last year and I was feeling very sad. All my friends had gone away to wonderful places for the holidays and it was just me and my family at home. The atmosphere in the house was very good because we were all happy together, but I missed the adventures of a real holiday. So I went to my mom and said: 'Mom, can't we also go away for a holiday. Or at least give me money to go and join my friends.' Then my mom said 'I don't have money but I've got something special for you.' I got very excited – I thought maybe it is a cheque or something. And when she came back, she held out her hand, I held out mine, but when she opened it there was nothing, and she said: 'Love, that is all I have to give you '. To my surprise I saw Love, there in my empty hand and it made me forget all about the adventure. I decided to write a poem about it. It is called RICH I AM.

'Yes, I am rich  
Filthy rich,'
